HEA Email Change Request Form

The goal of this form is to allow HEA customers to inform HEA staff of any changes to their email addresses. Such changes may include, but are not limited to, new domain names, email forwarding, primary DNS URL name change, and more. This form will allow HEA to track requested changes as well as serving as an authorization from the customer for HEA to provide services. Requests cannot be fulfilled without a signed authorization.

Email Account Information

Please define what type of change you are requesting:

- Update Current Email Account
- Add New Email Account
- Delete Existing Email Account
- Create Email Forwarding

Domain Name Extension (.com, .net, etc.)
